## SUMMARY

Hi, I'm SouradeepMandal, a BTech 4th-year student with a passion for problem-solving. I've developed projects like a Health Tracking app with Gamification and a Snake Game using Pygame. Proficient in languages like C, C++, Java, and Python. I thrive in team environments, where I consistently showcase leadership skills, adaptability, and effective communication.

- Programming Language:**
  - SQL | Java | C++
- Core Skill:**
  - Full Stack Developer
- Soft Skills:**
  - Leadership
  - Emotional Intelligence
  - Team Work
  - Communication
  - Quick Learner
- Hobbies:** Sports | Swimming | Cycling

## ADDITIONAL INFORMATION

- Languages:** Bengali, English, Hindi.
- Certifications:**
  - Cyber Security Analyst Job Simulation (Forage) | 2025

## PROJECTS

- Health and Fitness Tracking with Gamification-**
  - "Created a Python-based health and fitness tracking app that incorporates gamification elements, enabling users to set goals ,track progress, and compete with others to stay motivated and achieve a healthier lifestyle."
- Snake Game using Python-** A simple game where a snake eats food pellets and grows in length. The game ends when the snake collides with the boundary or itself. Implemented using the Pygame library.
